- **One Way Trip/ Single Trip:** coverage detailed in the Policy for the period of insurance shown in the Travel Insurance Certificate or for up to seven (7) days following disembarkation flight from the Country of Issuance.

GEOGRAPHICAL SCOPE OF SERVICES & COVERAGE

- **The geographical scope of services and coverage is limited only to outside the Usual Country of Residence; all treatments for a covered case are not covered in the insured's Usual Country of Residence.** After the policy expires, all follow up treatments and investigations related to a covered case, are not covered during the insured's stay outside or inside his Usual Country of Residence.
- The Services provided by the servicing company under this Agreement are rendered on a worldwide basis. The servicing company shall use its best endeavors to provide the Services but any help and intervention depends upon, and is subject to local availability and has to remain within the scope of national and international law and regulations and intervention depends on the servicing company obtaining the necessary authorizations issued by the various authorities concerned.

The servicing company shall not be required to provide Services to the Insured/s, who in the sole opinion of the servicing company is located in areas which represent war risks, political or other conditions such as to make such Services impossible or reasonably impracticable.

SCOPE OF SERVICES/COVERAGE

- The servicing company shall make available operations coordinators answering in different languages for the Users by telephone at its fully-manned **non free call alarm center** available 24 hours a day, 7 days a week.
- When the servicing company has the information immediately available, the servicing company shall provide the Services, as appropriate, to the Insured while the Insured is on the telephone. In all other cases, the servicing company will provide the information to the Insured by the quickest possible means.
- The servicing company shall, subject to the terms and conditions as defined hereunder, provide the following Services to a Insured calling the servicing company.
- If claim is eligible, the client will be covered under usual, customary, necessary and reasonable costs for a maximum Aggregate limit as per Table of Benefits.

Medical Expenses

• **Emergency medical repatriation**

The servicing company will arrange for the return of the Insured to the Home Country or Usual Country of Residence by air and/or surface transportation following an in-hospital admission for a covered case.

The servicing company through its medical team reserves the right to decide the means or method by which such repatriation will be carried out having regard to all the assessed facts and circumstances of which the servicing company is aware at the relevant time, subject to The Insurance Company prior approval and only when judged necessary on medical and compassionate grounds.

• **Transportation of mortal remains**

The servicing company will arrange for transporting the Insured's mortal remains from the place of death to the Home Country if requested by a family member or legal representative.

• **Medical expenses incurred during hospitalization**

In the event of sudden illness or injury of the adherent occurring outside the usual country of residence, insured has to call the assistance party prior to his admission.

The Servicing Company will guarantee the direct payment of the medical expenses incurred during hospitalization, up to the maximum limit stated in the schedule of benefits for the treatment of an injury or sickness sustained by the insured while his policy is in effect considering that cases are:

- Not due to any preexisting condition,
- Within the scope of policy particular and general condition,
- Not excluded as per policy particular and general exclusions,
- As per the usual reasonable and customary charges,
- Covered under Regular/ Standard Admission Class.

a. Inpatient care

The Treatment of covered medical conditions that cannot be treated on an ambulatory basis, as defined hereinafter, and requires an uninterrupted hospital confinement initiated during the policy period.

b. Emergency care

An Emergency is a treatment which may not be delayed due to sudden covered sickness or accident and which requires confinement to a hospital emergency room considering the admission is not due to any preexisting condition.

c. Outpatient care

Outpatient care means the medical expenses (as stated in the Table of Benefits) which is needed to treat an injury or sickness, where the insured can get treatment from a medical practitioner or a specialist and he does not need to stay in hospital confinement.

d. Deductible (applicable for Emergency and Inpatient Care)

Deductible means the first amount of each claim, for each separate accident, payable by the insured. Excess/Deductible amounts are shown in the Table of Benefits.

• **Medical expenses due to Covid-19**

This policy will cover the user for reasonable usual and customary (UCR) medical costs and expenses under Regular/ Standard Admission Class which may be incurred consequent to the user's becoming infected with COVID-19 disease, while this policy is in force, but only in respect of In-hospital confinement provided that:

- For the purpose of this clause, COVID-19 disease shall be defined as a general and widespread sudden outbreak of an acute and severe infectious disease caused by Corona Virus as per the World Health Organization.
- Usual, reasonable and customary (UCR) is defined as treatment consistent with generally accepted standards of medical practice, procedures, and surgeries in destination country, in accordance with the Ministry of Health and the National Social Security guidelines for normal, usual & customary procedure and/or standard health sector practice.
- In Hospital confinement refers to any treatment that cannot be undergone under the Out of-Hospital services and is recommended by a recognized treating physician. Such confinement must be medically indicated by the treating Physician to diagnose or treat COVID-19 disease covered under this Policy.
- ICU/Severe: these cases need admission to ICU with intubation and respirator, and the average length of stay is 25 days.
- Step Down/Moderate Cases: these cases need admission to intensive care with isolation, but no intubation and no respirator. Usually it needs 14 days average length of stay.
- Ward/ Mild cases: if admitted to hospital, needs isolation with an average length of stay of 2 days for any new policies issued by the Insurance Company for the new Policyholder and/or Insured

The "medical expenses" benefits provided under our plan can be claimed if COVID-19 is suspected or detected. In this particular context, "experimental" treatments, meaning medically-prescribed treatments being tested by doctors to treat this disease, will of course be covered as no cure has yet been found.

The cover is granted:

- If the person got infected by corona virus during his stay at the stated country, after presenting a positive PCR result.
- If the destination airport requires a mandatory PCR on arrival, then the person should present a negative PCR in order to be covered. If the PCR test is not mandatory, 72 hours waiting period is required.

• Quarantine Expenses due to Covid-19 **OPTIONAL**

If the insured, **after a positive PCR test**, was sent to compulsory quarantine while the policy is in force, an amount of cash will be provided to the insured as stated in the schedule of benefits for each complete 24 hours of quarantine up to a maximum of 14 days upon providing the extra paid invoices for accommodation and meals for reimbursement.

The amount is paid on top of any of the insured's existing medical benefits.

No benefits will be paid once the insured has left the quarantine outside his usual country of residence and if the treatment of the illness is not a direct or indirect consequence of Covid-19 disease.

Travel Expenses

• Loss of Passport

The Insurance Company will reimburse the insured for the replacement cost of the country of residence' passport/Travel Documents (of citizenship country) following the accidental and unintentional loss or damage during the insured's trip.

Exclusion Applicable:

- Any loss not reported to the local police, embassy, consulate, issuing authority, and/ or public common carrier within twenty-four (24) hours from the occurrence of the incident.
- Any fine or penalties incurred due to non-replacement or late replacement of the passport/Travel Documents by the insured.
- Passport/Travel Documents renewal.
- Loss or damage due to delay, confiscation or detention by customs or other authorities.
- Any unexplained loss or mysterious disappearing.
- Any loss not substantiated by a written confirmation from the police, local embassy, consulate, issuing authority and/ or public common carrier.
- The claim of both temporary and permanent version of the same passport/Travel Documents; In the event of such loss, the insured may claim either one (1) version.
- Loss or theft of your passport/Travel Documents left unattended at any times (including in a vehicle or in the custody of carriers) unless deposited in a hotel safe, safety deposit box or left in your locked accommodation.

Medical & Travel Assistance

• Telemedicine

The servicing company will arrange for the provision of medical advice to the Insured over the telephone.

• Medical service provider referral

The servicing company shall provide to the Insured, upon request, the name, address, telephone number and, if available, office hours of physicians, hospitals, clinics, dentists and dental clinics (collectively "Medical Service Providers"). The servicing company shall not be responsible for providing medical diagnosis or treatment. Although the servicing company shall make such referrals, it cannot guarantee the quality of the Medical Service Providers and the final selection of a Medical Service Provider shall be the decision of the Insured. The servicing company, however, will exercise reasonable care and diligence in selecting the Medical Service Providers.

• Arrangement of hospital admission

If the medical condition of the Insured is of such gravity as to require hospitalization, the servicing company will assist such Insured in the hospital admission.

• Monitoring of medical condition during and after hospitalization

The servicing company will monitor the Insured's medical condition during and after hospitalization, subject to any and all obligations in respect of confidentiality and relevant authorization.

• Medical translation service

The servicing company will arrange for the provision of medical translation to the Insured over the telephone. Where the servicing company uses an external service provider to provide the translation service, the quality of the translator cannot be guaranteed. The Servicing Company will however exercise reasonable care and diligence in selecting such service providers.

• Delivery of essential medicine

The Assistance Company will take charge of delivering the medicines outside the country of residence prescribed urgently by a doctor for the insured during the trip and which cannot be found in the place where he/she had travelled to or to be replaced by medicines that have a similar composition.

The Assistance Company will not be responsible for the medicine's expenses.

• **Inoculation and visa requirement information**

Upon request from the Insured, the servicing company shall provide information concerning visa and inoculation requirements for foreign countries, as those requirements are specified from time to time in the most current edition of World Health Organization Publication "Vaccination Certificates Requirements and Health Advice for International Travel" (for inoculations) and the "ABC Guide to International Travel Information" (for visas).

• **Lost luggage assistance**

Upon request from the Insured, the servicing company will assist the Insured who has lost his/her luggage while traveling outside the Usual Country of Residence by referring the Insured to the appropriate authorities.

• **Interpreter referral**

Upon request from the Insured, the servicing company will provide the names, telephone numbers and, if possible and requested, hours of opening of interpreters' office in foreign countries. Although the servicing company shall make such referrals, it cannot guarantee the quality of the service provider and the final selection of a service provider shall be the decision of the Insured. The Servicing Company, however, will exercise care and diligence in selecting the service providers.

• **Emergency traveling service assistance**

The servicing company shall assist the Insured in making reservations for air ticket or hotel accommodation on an emergency basis when traveling overseas.

• **Emergency interpreting assistance**

The servicing company will arrange for the provision of interpreting assistance to the Insured over the telephone on an emergency basis.

• **Embassy referral**

The servicing company shall provide the address, telephone number and hours of opening of the nearest appropriate consulate and embassy worldwide.

• **Emergency document delivery**

The servicing company shall assist the Insured to arrange for emergency document(s) to be delivered to the Insured's friend, relative or business associate, upon the Insured's request to do so.

The above assistance Services are purely on referral or arrangement basis. The servicing company shall not be responsible for any third-party expenses, which shall be solely the Insured's responsibility.
